'The Award Winning Cafe in The Park'

Canape Menus 2014

We pride ourselves on serving the best local produce we can find. Not all our products are locally sourced, but where ever possible we make sure it is! We keep the seasons in mind when creating our deliciously tasty bites and you can see how they burst with flavour and colour. Whether the occasion is for a product launch, private party, staff get-together or the completion of a big project. We will create canapes to impress your guests. We give you a rough idea of the number of canapes you will require for your event, but we encourage you to call us so we can tailor a menu and price that is right for you.

When making your selection we suggest 6-9 canapes for a function from between 1 to 2 hours. Canapes cost £1.25 each. This cost does not include service staff or the hire of crockery, glassware, linen or furniture.

We can provide alcohol and have separate drinks packages available on request. This is dependant on your venue's licence, but something we can advise you on, there might be an extra charge for providing an events licence.
