Only having a small meeting? If you would like to order from our cafe menu you are more than welcome to. Just pick up a menu from reception or from the cafe. Alternatively you can print one off from our website.

We do get busy at lunchtime, so to beat the clock please pre-order your food at the cafe, at least 2 hours prior to dining.

We are very sorry but we cannot reserve tables.

## How it works...

Choose from the 'combo' or 'platters' section.

The 'combo' section is priced per person, we will need to know numbers. E-mail or phone your order through.

If you would like to start up an account then please go to our website for more details.

All prices are inclusive of V.A.T.

We will need at least 24hrs notice for most orders (Woodland Combo needs 48 hrs!), so bear that in mind when ordering please.

The more notice the better, those scrummy quiches won't make themselves you know!
